Master the game of cornhole

## CORNHOLE RULES

### 1 – EQUIPMENT

- 8 bags (4 for each team – 2 colors) ; 6" x 6" size ; filled with 1 pound corn feed ; sturdy material
- 2 boards ; 24" x 48" ; 6" diameter hole – 9" from top and 12" from edges ; 4" front and 12" back height

### 2 – GAMEPLAY

- Flip a coin to see who goes first – later round winners throw first
- Bags are thrown alternately ; each player stands on different side of a board (in own pitch box)
- Round ends once all 8 bags are thrown – calculate results – add to overall game score
- Every player has 20 seconds to make a throw - once it's players turn or once entered the pitch box

### 3 – SCORRING

- Play until someone reaches or exceeds 21 points
- Bag goes in the hole = **3 points**
- Bag goes on the board = **1 point**
- Bag is hanging on the edge of the hole = **1 point**
- Bag goes off the board = **0 points**
- Bag is touching the ground but still on the board = **0 points**
- After each round calculate and add points to overall game score of the highest scoring team
- Round score = highest scoring team points – lowest scoring team points

### 4 – PLAYING FIELD

- Distance between boards 27 feet (front to front) – 15 feet if kids are playing
- If played indoor room height should be minimum 12 feet
- Draw pitch box and foul lines beside every cornhole board for every player
- Pitch box is the same dimensions as a board (4x3 feet)
